Course Information & Booking Pack

Clinic Description

The day will start with a theory session from Ben, who will talk with us about his philosophy, his horses, how he achieves clarity, consistency, confidence and more! Ben will then guide everyone through rider sessions and demonstrations throughout the two days. Riders are welcome to focus on ground/liberty or ridden work, so the clinic is open to both those who ride and those who don't.

Rider Criteria

There are no official rider criteria, however we strongly recommend that you are either working on the ground with your horse, and/or riding, to a strong, capable standard, to enable you to get the best from this clinic.

Horse Criteria

No behavioural issues – this is not a problem-solving clinic. Stallions by agreement only.
